abortion

One of the saddest legacies of our generation is the evil and suffering and death that is **ABORTION**. Abortion is founded in **EVIL**, is full of **SUFFERING** (emotional & physical), and means **DEATH**. Abortions in the US alone have far surpassed the number of people murdered in Nazi Germany and now rival Stalin's Reign of Terror. You may ask, *How can we possibly defend the unborn? People are gonna have abortions no matter what we do. People are gonna steal and rape and pillage and do all sorts of evil as well. But we are a peculiar people, not because of our clothes and talk (although...), but in part because we are to **DO WHAT'S RIGHT NO MATTER THE CIRCUMSTANCES.***

Here's one way of several to defend the Unborn and perhaps save a child's life along the way, and ***SURPRISE*** it involves logic! Ready?

If one defines murder as **THE INTENTIONAL KILLING OF AN INNOCENT HUMAN BEING**, is abortion murder? If it is, it should be stopped immediately. Let's see:

- Is an abortion **INTENTIONAL**? YES!
 - Is an abortion a **KILLING**? YES!
- Is the unborn **INNOCENT**? YOU BET!
 - Is the unborn **A HUMAN BEING**?

Hmmm... If so, then the entire definition fits, and abortion = murder. Let's see:

If one defines human as **A LIVING PHYSICAL BEING WITH HUMAN CHROMOSOMES** (like you and me and every other human that has ever lived), and *does not* illogically define him/her by size or weight or location or it's being "part of another person's body" or where it is in its development, then **THE UNBORN IS A HUMAN, AND ABORTION IS MURDER, AND IT SHOULD BE STOPPED.**

- *Think it's worth it to know how to defend the unborn and help stop our holocaust?*
- *Think it's worth it to help save the life of even one unborn, undefended Life?*
- *Think it's worth it to keep the mother from one of the most damaging decisions of her life?*

I think so.
